## Victoria & Brooklyn Beckham Are An Award-Winning Duo Celebrating Harper's Bazaar Women Of The Year!

Our heart is melting!

Brooklyn Beckham accompanied mum [Victoria](#) to the [Harper's Bazaar](#) Women of the Year Awards held at Claridge's Hotel in London on Tuesday, looking so chic and cute together!

This is the second time Brooklyn's been at Victoria's side when she's gotten [accolades](#) for her awesomeness! He must be her good luck charm!

Posh picked up the *Special Contribution to British Fashion* award for all of her hard work with her clothing collections, and naturally she wore a black gown of her own design to the event.

The frock was simple yet impeccably tailored and featured

Before she got covered in paint for her **Halloween** costume, **Rihanna** looked perfectly normal at her *Rogue* fragrance launch in Barbados on Thursday.

The *What Now* singer gave off a sweet and approachable vibe in a grayish-blue off-the-shoulder romper with pleats worn casually with **Rene Caovilla** pearl thong flats.

Basically, the perfect island ensemble!

Of course the outfit wouldn't be complete without dozens of gold **Jennifer Meyer** bracelets and necklaces!

Girl loves her bling.

Remember when **David Beckham** would have a new hairstyle every few months? Looks like somebody's following in his footsteps!

Aww!
